SILVER BEARING Solder Paste

Portable Flameless Heat Gun

Convenient and easy to apply, **Solder-It** works with a match, lighter, soldering iron, or torch! Silver bearing sold paste is five times stronger than conventional solders and offers tensile strength of 10,000-28,000 psi, flows freely and smoothly between 395° F and 430° F. Using Solder-It practically anyone is able to solder all ferrous and non-ferrous materials. It provides strength without the distortion of high temperature brazing, gives superior electrical conductivity and is stress and vibration resistant. Use for all electrical soldering wires, connectors, cables, copper piping, home plumbing, car radiators.

Solder-It Silver Bearing Solder Paste

No. 7459

Provided in handy, no mess, no waste, disposable syringe.

12 pcs. per case, 1 lb.

Counter Display

No. 7459-002

Point of purchase display

24 pcs. per case, 2.5 lbs.

Clip-Strip Merchandiser

No. 7495-001

Pre-loaded clip-strips are cardboard backed and shrink wrapped to insure that the product arrives at the store in perfect condition.

12 pcs., 1.5 lbs.
